## INDEPENDENT AUDITOR'S REPORT

The Board of Directors

Habitat for Humanity of Greater Baton Rouge, Inc.

### Report on Financial Statements

We have audited the accompanying financial statements of Habitat for Humanity of Greater Baton Rouge, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity of Greater Baton Rouge, Inc. as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Supplementary Information*

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole. The schedule of compensation, benefits, and other payments to Agency heads on page 15 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

## **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2018, on our consideration of Habitat for Humanity of Greater Baton Rouge, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Habitat for Humanity of Greater Baton Rouge, Inc.'s internal control over financial reporting and compliance.

**HABITAT FOR HUMANITY OF GREATER BATON ROUGE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
*June 30, 2018*

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Nature of activities*

Habitat for Humanity of Greater Baton Rouge, Inc. (Habitat) is a non-profit organization incorporated in 1988, with offices in Baton Rouge, Louisiana, and operations in four Louisiana parishes. Habitat is an affiliate of the Habitat for Humanity International, Inc. (Habitat International), a nondenominational Christian non-profit organization whose purpose is to create decent, affordable housing for those in need, and to make decent shelter a matter of conscience with people everywhere. Although Habitat International assists with information and funding resources, training, publications, prayer support, and in other ways, Habitat is primarily and directly responsible for their own operations. The accompanying financial statements include the activities of the Campus Chapter of Habitat for Humanity at Louisiana State University and the Habitat Young Professional Council of Greater Baton Rouge.

Habitat builds homes in partnership with volunteers and low-income families. The homes are sold to qualifying partner families at less than fair market value. Since the homeowners are involved in building their own homes, family support and education activities are inherent in the construction activities. Habitat provides zero interest mortgage loans to these homeowners.

Habitat owns and operates ReStore of Baton Rouge, LLC (Restore), which has two stores in Baton Rouge, Louisiana. These stores sell donated surplus building materials, furniture, appliances, and items purchased in bulk to the general public at below retail prices. Restore owns the building which houses one store, and leases the other part of the building to tenants. The second store leases its operation space. The net proceeds from the Restore operations and rentals are used to further the mission of Habitat.

*Basis of presentation*

Financial statement presentation follows the guidance of the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). Under those standards, Habitat is required to report information regarding its financial position and activities under three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Unrestricted net assets are resources that are free of donor-imposed use or time restrictions and are available at the direction of the governing board. Temporarily restricted net assets are resources that are limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Habitat pursuant to those stipulations. Permanently restricted net assets are those resources whose use by Habitat is limited to donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of Habitat. Habitat does not have any permanently restricted net assets as of June 30, 2018.

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Basis of accounting*

Habitat prepares its financial statements on the accrual basis of accounting. Under this method of accounting, revenue is recognized when earned or billed, and expenses are recognized when goods or services are received and the obligation for payment is incurred.

*Use of estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Revenue Recognition*

Contributions and grants are recorded as unrestricted, temporarily restricted, or permanently restricted, depending on the existence or nature of any donor restrictions. When donor restrictions expire, that is, when the stipulated time restriction ends or the purpose of the restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Home sales revenue and the cost of homes sold are recorded when the title is transferred. The zero interest first mortgages are discounted to their present value by using prevailing market rates at the inception of the mortgages. Discounts are amortized using the straight-line method over the lives of the mortgages.

Habitat also executes a supplemental mortgage with the homeowners upon sale of the home. The amount of these mortgages is approximately equal to the difference between the sales price and the fair market value of the home. These mortgages bear no interest, and the homeowner is discharged from their annual payment as long as they are not in default on their first mortgage. No amounts are included in the financial statements for these mortgages as collection is contingent upon future events and is generally unexpected and unintended.

The fair market value of the items donated to ReStore is not determinable until the items are sold. Therefore, revenue is recorded at the time of sale and no value is included in inventory for the unsold items.

*Cash and cash equivalents*

For purposes of the statement of cash flows, Habitat considers all unrestricted highly liquid investments with maturities of three months or less when acquired to be cash equivalents.

Restricted cash includes amounts received from homeowners for escrow payments, for payments received prior to closing, and for security deposits received from tenants. Restricted cash was \$172,117 as of June 30, 2018.

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Inventories*

The inventory of new homes is valued at cost. The cost of land and the value of contributed labor are not included as they are recognized when the home is sold.

Foreclosures included in inventory are valued at cost, which includes the unpaid mortgage, related costs at the time of foreclosure, and the cost of estimated repairs after foreclosure.

Construction materials inventory consists of items donated in bulk through a gift-in-kind program established by Habitat International. Items are ordered from the vendor by Habitat, approved by Habitat International, and valued at estimated fair market value included on the gift-in-kind receipt sent with the materials. Materials are removed from inventory when used on a specific house.

Purchases for resale at ReStore are included in inventory at cost.

*Advertising and Marketing Costs*

Habitat expenses advertising and marketing costs when incurred.

*Prepaid expenses*

Insurance and similar services which extend benefits over more than one accounting period have been recorded as prepaid expenses.

*Property and equipment*

Property and equipment acquired are stated at cost less accumulated depreciation. Habitat capitalizes acquisitions of property and equipment in excess of \$2,500. Depreciation is calculated on the straight-line basis over the estimated useful life of the assets, ranging from three to ten years for all fixed assets except buildings and parking lot improvements, which are depreciated over 38 years.

When property is retired or otherwise disposed of, the accounts are relieved of the applicable cost and accumulated depreciation, and any resulting gain or loss is reflected in operations.

*Donated services*

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by Habitat. These services are recorded, based on the fair value of the services provided, as in-kind contributions on the Statement of Activities and the Statement of Functional Expenses. Volunteer services are not recognized in the financial statements when the recognition criteria are not met.

**A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

*Donated equipment*

Donations of property and equipment are recorded as contributions at the fair market value on the date received. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, Habitat reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Habitat reclassifies temporarily restricted net assets at that time.

*Income taxes*

Habitat is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the financial statements.

Habitat accounts for income taxes in accordance with the income tax accounting guidance included in the FASB ASC. Under this guidance, Habitat may recognize the tax effects from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by tax authorities. Habitat has evaluated its position regarding the accounting for uncertain income tax positions and does not believe that it has any material uncertain tax positions.

Habitat is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

*Receivables and bad debts*

Management believes that all receivables are collectible in full, and therefore, no allowance for bad debts has been provided in the financial statements.

*Functional expenses*

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs are charged specifically to a program or function and the remaining costs are allocated among programs, administrative and fund raising based upon estimates of staff time devoted to these functions.

**B: CONCENTRATIONS AND CREDIT RISK**

Habitat builds and rehabilitates homes in the Baton Rouge and surrounding areas. As a result, all of the mortgages receivable from homeowners are concentrated as to geographic risk. Also, all homes built are sold to low-income families, which can represent a credit risk.

Habitat maintains deposits at local financial institutions with balances at times that may exceed the \$250,000 of insurance provided by the Federal Deposit Insurance Corporation.

**C: PROPERTY AND EQUIPMENT**

The following is a summary of property and equipment at cost, less accumulated depreciation as of June 30, 2018:

Land	\$ 62,028
Leasehold improvements	24,053
Buildings and improvements	761,303
Furniture and fixtures	91,107
Machinery and equipment	209,959
	<u>1,148,450</u>
Less accumulated depreciation	(439,091)
	<u>\$ 709,359</u>

Depreciation expense was \$43,999 for the year ended June 30, 2018.

**D: RECEIVABLES**

Receivables consisted of the following as of June 30, 2018:

Cost reimbursement grants	\$ 133,903
Homeowner escrow shortages	11,124
Pledges	57,768
Other	534
	<u>\$ 203,329</u>

**E: INVENTORIES**

Inventories consisted of the following as of June 30, 2018:

	<u>Number</u>	<u>Cost</u>
Homes		
New construction	4	\$ 322,555
Repossessions	3	128,079
Rentals	1	74,843
	<u>8</u>	<u>525,477</u>
Construction materials		56,719
Purchases for resale		155,042
		<u>\$ 737,238</u>

**E: INVENTORIES (continued)**

Rentals are repossessions for which Habitat has not been able to find qualified partners to purchase the homes through the Habitat program and has not been able to sell the houses otherwise. The Board approved the temporary rental of these houses through the U.S. Housing and Urban Development Section 8 rental assistance program. These houses are included in inventory because management's intent in renting them is to offset costs of vacant houses until a suitable owner is found. At that time, they are reclassified back to repossessions.

**F: LEASE COMMITMENTS**

Habitat leases office space under agreements that are classified as operating leases. The lease provides for monthly rent of \$5,373 and expires March 31, 2022.

Restore leases a store location under agreements that are classified as operating leases. The lease provides for monthly rent ranging from \$12,542 to \$13,576 and expires December 31, 2020.

The lease expense under these agreements was \$221,940 for the year ended June 30, 2018.

The future minimum lease payments required under the operating leases are as follows for the year ending June 30, 2018:

Years Ending June 30,	
2019	\$ 222,624
2020	225,786
2021	145,930
2022	48,357
	<u>\$ 642,697</u>

**G: MORTGAGES RECEIVABLE**

Mortgages receivable consists of non-interest-bearing mortgage notes of \$8,754,074 less unamortized discounts of \$4,341,410. All mortgages are collateralized by real estate in the Baton Rouge area.

Mortgages are subject to foreclosure if a payment is 90 days or more past due and no revised payment plan has been approved by the Habitat Board of Directors. Homeowners that have not responded to prior notifications and are 120 days late may be presented to the Board for approval of the foreclosure. Foreclosures are only begun with Board approval. If approved, the homeowner's file is turned over to an attorney to send the official notice of default, which states that the homeowner has 30 days to cure the default.

**G: MORTGAGES RECEIVABLE (continued)**

The following schedule shows the past due principal payments as of June 30, 2018. These past due balances are based on the payments required by the mortgages and have not been reduced to reflect modifications made under payment plans.

	<u>Mortgages Past Due</u>	<u>Past Due Amount</u>
Past Due Amounts		
6 months or more	6	\$ 18,941
5 months	2	3,565
4 months	2	3,245
3 months	6	6,917
2 months	10	7,757
1 months	27	11,425
	<u>53</u>	<u>\$ 51,850</u>

There were two mortgage loan in foreclosure procedure at June 30, 2018, that is not included in this schedule. The total past due amount was \$1,638, and the total mortgage was \$68,983.

Since management estimates that the fair market value of the homes exceeds the mortgage balance, no allowance for uncollectible loans has been recorded.

**H: LINE OF CREDIT**

Habitat entered into a line of credit agreement with a local bank in the amount of \$500,000 bearing a variable interest rate of Wall Street Journal Prime. The line of credit matures July 10, 2019 and is secured by a pledge of the first mortgage notes on houses built and financed by Habitat with an assignment of specific mortgage notes. There were no draws on the line during 2018.

**I: TEMPORARILY RESTRICTED NET ASSETS**

Temporarily restricted net assets consist of funds designated by donors or grantors for specific purposes or programs. As of June 30, 2018, amounts restricted to use for specific programmatic areas was as follows:

Flood relief	\$ 115,923
Construction of new homes	366,163
	<u>\$ 482,086</u>

**I: TEMPORARILY RESTRICTED NET ASSETS (continued)**

Net assets were released from donor restrictions by incurring expenses satisfying the purpose of restrictions specified by donors as follows for the year ended June 30, 2018:

Flood relief	\$ 632,830
Construction of new homes	317,155
Total restrictions released	<u>\$ 949,985</u>

**J: PAYMENTS TO HABITAT INTERNATIONAL**

Habitat voluntarily remits a portion of its contributions to Habitat International. These funds are used to construct homes in economically depressed areas around the world. For the year ended June 30, 2018, contributions of \$4,500 are included in cost of homes sold.

Habitat pays Habitat International an annual Stewardship and Organizational Sustainability Initiative fee based on the population and the geographic area served. ReStore pays a monthly ReStore Collaborative fee. These amounts totaled \$20,400 for the year ended June 30, 2018.

**K: MORTGAGES SOLD IN PRIOR YEARS**

In prior years, Habitat sold mortgages to Iberia Bank. Habitat services these loans for a fee of \$10 per month per loan. Habitat is responsible for collection activities and disbursement of property taxes and insurance. Principal payments on loans are remitted to Iberia monthly.

All loans sold are with recourse. If loan becomes nonperforming, Habitat is required to repurchase the mortgage loan and, at Habitat's option, require Iberia Bank to purchase another loan which is acceptable.

**L: NON-CASH INVESTING AND FINANCING ACTIVITIES**

There were no non-cash investing and financing activities during the year ended June 30, 2018.

**M: SUBSEQUENT EVENTS**

Subsequent events were evaluated through December 20, 2018 which is the date the financial statements were available to be issued.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Board of Directors

Habitat for Humanity of Greater Baton Rouge, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Habitat for Humanity of Greater Baton Rouge, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 20, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Habitat for Humanity of Greater Baton Rouge, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Habitat for Humanity of Greater Baton Rouge's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Habitat for Humanity of Greater Baton Rouge, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Habitat for Humanity of Greater Baton Rouge, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Habitat for Humanity of Greater Baton Rouge, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
